**Breakfast Recess Lunch**

### P&C NEXT MEETING

Monday September 17, 2018 6.00pm

Please come along and be part of our P&C. Held in the staff common room.

## SENIOR EXECUTIVE REPORT

### Junior Reports

Parents of students in junior years should now have received reports for Semester 1. It is anticipated that parents have had conversations with their child regarding their achievements and the comments and suggestions made by their teachers. It is important that students reflect on their successes and areas of challenge so that they can make goals to actively work towards achieving.

### Year 12 Trial HSC Exams

Year 12 have returned this week having completed their Trial HSC exams. It is essential that students do not see this as the end of the year as there are still many opportunities to build towards the HSC exam and final result. Feedback from the trials provides students with an invaluable opportunity for reflection, for identifying gaps in learning, refining skills and further developing knowledge of course content. Those students who continue to work solidly between now and the HSC examinations will give themselves the best opportunity for success. Stay focused and committed and reap the results in the end. When you walk out of the HSC exam if you believe that you have done everything in your power to achieve your best then you will have reason to be satisfied. Whilst we wish you the best of luck, know that luck alone does not guarantee success.

### Major Works

Many subjects have had Major Works due in of late or performances for the HSC still ahead. This is the culmination of a years worth of work. No doubt stress levels have been high for both the students and their teachers as these major works draw to a close. Congratulations to those students who have undertaken these projects and to the teachers who have supported you and dedicated many additional hours to assist you in achieving your end product.

### Year 11 Exams

Year 11 Preliminary Exams will take place in weeks 8 & 9 of this term . Students should be heavily engaged in their learning and have a study program in place to assist them to achieve their best in the final exams.

### Elective choices for years 7-9.

Years 7,8 and 9 have made selections for their electives for 2019. This was a two step process with students selecting subjects online through their student portal and also by returning a hard paper copy signed by parents to confirm that they are aware of the subject selections and any costs involved. Please contact Mr Simpson if you have any concerns.

## MANDATORY ATTENDANCE AT SPORT

Parents please be reminded that only in exceptional circumstances will students be given permission not to attend sport on a Monday afternoon. Students who do not attend will be considered to be truanting and there will be consequences for their actions.

### STYMIE Presentation

This week students in years 7-10 were invited to attend a presentation promoting student wellbeing. Stymie helps our community to foster caring and respectful relationships reinforcing Tweed River High School values of Safety and Respect.

Stymie allows students at our school to send anonymous notifications about someone who they believe is being bullied or harmed. It relieves feelings of helplessness for students who want to help their peers but don't quite know how. A simple message to all - Be Kind .

*Ms Sue Smith, Rel. Deputy Principal*

## YEAR 7 HISTORY - AUGMENTED REALITY

Augmented Reality (AR) is an interactive experience of a real-world environment whereby the objects that reside in the real-world are "augmented" by computer-generated perceptual information, sometimes across multiple sensory modalities. The overlaid sensory information can be seamlessly interwoven with the physical world such that it is perceived as an immersive aspect of the real environment.

The primary value of augmented reality is that it brings components of the digital world into a person's perception of the real world, and does so not as a simple display of data, but through the integration of immersive sensations that are perceived as natural parts of an environment.

"The students have really enjoyed learning about Ancient China and have shown great enthusiasm for the study of History. Incorporating more technology into the classroom connects students to what they are learning about in a more engaging way" Mr. Appo

Madalyn, Jada & Bella pose with members of Emeror Qin's infantry

Alexis makes new friends in Year 7 History

## OUTWARD BOUND FOR BRODIE-LEE & TYLA

Congratulations to students Brodie-Lee and Tyla who were successful in their application for the Tweed Environmental Leaders Program. Over 35 applications were made for this pilot program and it was a tough decision according to Hayden Goldstraw, Client Manager for Outward Bound Australia. He said, "We endeavoured to get a diverse spread across the 12 Tweed High Schools. Please encourage any year 9 applicants to apply again next year." The program commences on Wednesday 26 September. This program is fully funded by Tweed Shire Council.

## DROUGHT RELIEF FUNDRAISER

Australia is experiencing the worst drought in history, where many farming communities are suffering. During mentoring, students watched a video on the effects of the drought in rural Australian towns.

Imagine...

Not being able to feed your family as well as your cattle.

Not being able to afford a dress to go to your formal.

How would these things make you feel?

As a response to the footage and reports on the news, we felt committed to help those in drought affected areas. Tweed River High School hosted 'Parma for a Farmer' on 17/08/18 to raise money for Rural Aid's 'Buy a Bale' campaign. The school canteen sold chicken parmigiana and staff and students ran a cake stand. Thank you Jo, for your support in the canteen making the burgers and donating a sum from the proceeds. Thank you to everyone who was involved in the supply, purchase and donation. We raised \$800.00 This money will now go to support Farmers of Regional communities!

This \$800.00 allows farmers to purchase:

- 40 small bales of hay or
- 8 large bales of hay or
- 34,000L of water or
- 16 food hampers

Any donation is a donation and a huge help to those in need and it is because of your support of an issue that we have been able to help in such a substantial way. Thank you for your support on an issue close to many of us within the school and in the community. WELL DONE and THANK YOU!!

**Richmond Tweed  
Regional Library**  
Connect. Discover. Escape.

Download the App today!

Most students have now received their **free** e-membership from the Richmond Tweed Regional Library. Students can now access a fantastic range of online resources on the RTRL website <https://www.rtrl.nsw.gov.au>. Click on the **My e-library Online** to see the myriad of resources available to you: e-books, e-audio books, e-magazines. In the **Learning and Research** section of the website, students can learn 80 different languages and have 24/7 access to the wonderful ENCYCLOPEDIA BRITANNICA. Students are not well equipped to search Google, they gravitate to the first few results and often find information that is not at their level. We encourage students to use ENCYCLOPEDIA BRITANNICA as it offers different reading levels and content KIDS – TEENS - ADULTS.

The information contained in these searches is not just relevant but also trustworthy.

To access some of these resources, students will need their username and pin/password. The username is the card number (located near the barcode) and the pin is the last 4 digits of that number. If you have any problems or questions, don't hesitate to contact me in the TRHS library or ring the Tweed public library (07-5569 3150).

Mrs Monniot-Kerr

(Teacher Librarian)

## LIBRARY NEWS

## DJ STRINGER GARDENING COMPETITION

On Monday 3 September, judges will be coming to our school for the 'judging' of the local Gardening Competition we entered into some months back. Our General Assistant, Daniel, has worked tirelessly in the gardens to bring them up to a winning standard. Huge thanks goes to all the people who kindly donated plants for the cause. Special thank you to Jo in the Canteen who donated some lovely bromeliads and to Tracey Kingi, Tanya Perandis and Elaine Cunningham who also donated some lovely plants. Thank you also to Brad Trewin from All Tree Stump Works who provided the much needed mulch.

## MUSIC 4 LIFE

At the Links to Learning 'Music 4 Life' workshop, students are working to create an awesome Hip-Hop track while exploring current issues that are important to them and our community. Stand by for the release of their Hip-Hop music video!

@onevisionproductions

## SPORT REPORT

### NSWCHS ATHLETICS

All the best to our students competing at the NSWCHS Athletics Championships at Sydney Olympic Park in Homebush Bay from the 5th-7th of September. We have students in a range of track and field events and one girls relay team competing. Good luck to our 17 girls relay team consisting of Tarah Smith, Jasmin Mansfield-French, Jasmin Morrissey and Natasha Umstad. Good luck also to the following students who made it through for individual events: Jasmin Mansfield-French (hurdles, high jump), Lachlan Stanford (discus), Kayla Harris (javelin), Benn Cousins (high jump), Jack Andrews (hurdles), Alana Hardy (100m, 200m). We look forward to hearing your results. I am looking forward to going to Sydney as one of the North Coast managers again this year.

### NSW TOUCH FOOTBALL 7/8 REGIONAL QUALIFIER

Coming up on the 6th of September is the 7/8 touch football regional qualifier at Saunders Oval in Ballina. Students who made it into the boys and girls teams, please pay your money to the Front Office for this excursion and hand your note in to Mrs Goldstone (girls) and Mr Winter (boys) as soon as possible.

### UQ SECONDARY SCHOOL SURF LEAGUE

The UQ Secondary School Surf League will be held on the 20th September at Coolangatta Beach. Any students in U13, U15 or 16+ age categories who would like to partake in the following events, please see Mr Betts to put your name down: surf swim, board race, iron person, beach sprint and flags. You do not have to be a surf-lifesaving club member unless you do a craft event.

### FNC FUTSAL

Good luck to the students competing in the FNC Futsal knockout in Byron Bay on the 13th (girls) and 14th (boys) of September. Please ensure your money is paid to the Front Office and permission note to Ms Cowan.

*Yours in Sport, Mrs J Goldstone, External Sports Organiser 2018*

## MONDAY SPORT

Students having fun at the Gym and Epic Skaterink during Monday sport.

## DEBATING NEWS

Students have participated in a variety of debating workshops to develop their skills and challenged other T5 schools in various debates.

Year 10 secured a win against Byron Bay High School and Year 7 and 8 won their final round against Kingscliff High. Debating the topic that "NAPLAN testing should be banned". We have also participated as the country, Ivory Coast in the Evatt UN Security Council Competition held at Marymount College on Saturday 7th August.

Both teams have advanced in their public speaking, teamwork, organising and preparation of debates. They should all be extremely proud of themselves for the hard work and the dedication and enthusiasm they have provided to the team. It has been a wonderful experience and we look forward to having new members join and practise throughout the year in preparation for next year's competition!

Opportunities such as this have been made possible through the ongoing support of our ATP coordinators and Tweed River High School.

Here are a few photos from throughout the term for both teams.

Well done, congratulations and thank you!

Well done Emily Bradford, Rory Cousins, Charlotte Hudson & Lucien Andrews, Year 7 & 8 Team

Well done Holly Taylor, Syllas Woodall, Courtney Collison & Jackson Riding, Year 10 Team

## YEAR 12 MAJOR WORKS - TEXTILES

Recycled denim jacket made from old jeans

# Compulsory School Attendance

Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

## What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

## The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

## What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

## Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

## COMMUNITY NEWS

Soccer X Pty Ltd

### DO YOU WANT TO BE A SPORTS COACH? IF YES, THEN WE WOULD LOVE TO HEAR FROM YOU.

Soccer X Pty Ltd are recruiting and looking for our next generation of sports coaches.

Our next in-house coaches workshop will take place in September where we will be training successful applicant to coach 'our way' and learn what being a Soccer X coach is all about.

The training workshop will run for 2 days, after which each attendee will receive a HMT Training course certificate and lead into paid coaching hours.

The job includes coaching Soccer & Multi Sports to primary school age children of mixed abilities. For those who are reliable & quick to learn the role could lead into coaching our Development Soccer squads and full time employment in the future.

Locations:

**Gold Coast – Northern NSW – Brisbane – Ipswich**

Please submit expressions of interest to [info@soccer-x.com](mailto:info@soccer-x.com) and give a basic background on your sports / coaching career.

[WWW.SOCCER-X.COM](http://WWW.SOCCER-X.COM)

## COMMUNITY NEWS

## COMMUNITY NEWS

### There's only one-way to end youth homelessness – together

The 2018 Homelessness Week theme is 'Ending Homelessness Together'. This is a fitting theme that reflects The Family Centre's (TFC) approach to addressing youth homelessness in Tweed Shire with our community partners.

Homelessness is a national crisis with over 116,400 people affected, an increase of 14% since 2011. 54% are under 34, and 1 in 6 young people aged 15–19 have experienced homelessness.

NSW has both the largest and fastest growing homeless population; there has been a 37% increase in the number of homeless people in the five years to 2016, and a 27% increase in the rate of homelessness.

In the Tweed Shire, 310 young people aged 15–25 presented to The Family Centre as homeless or at risk of homelessness in 2016–17. In 2017–18, we saw a very slight increase (less than 1%) of young people seeking our assistance.

This is in contrast to the upward national and state homelessness trends and provides an early indication that our collective and integrated Tweed Youth Homelessness Matters Project approach is making a difference.

## COMMUNITY NEWS

### the difference the family centre news

issue eleven 2018

In the past 6 months TFC have worked with Family and Community Services (FaCS) and Housing NSW to increase supported transitional housing beds from 9 to 16. We have also provided low support, subsidised housing for 6 young people with another 9 approved for housing through the Rent Choice program. This is an increase from 9 to 21 young people who now have the housing stability and support they need to succeed.

Working closely with our community partners, we are focusing more of our resources on early intervention, increasing supported transitional and subsidised housing options and providing better opportunities to participate in education, training and employment – it is having an impact.

Investment by our partners has allowed us to do more early intervention to prevent homelessness and has given us more time to collaborate with our community on innovative projects that lead to better family, housing, health, education, training and employment outcomes.

Some of the promising results from 2016/17 to 2017/18 include: a 3% increase of young people staying with or returning to family, a 9% increase of young people gaining private rental, a 10% increase of young people gaining shared accommodation, and we've seen a 22% reduction in the number of young people who disengage from our service.

Place-based collective impact approaches like the Tweed Youth Homelessness Matters project are an all-of-community effort with a common agenda for change. The results show we are starting to 'turn the curve' in the right direction. This is only possible through a coordinated effort to achieve our common goal - to end Youth Homelessness in the Tweed Shire.

We will continue to report on more of the outcomes achieved through the Tweed Youth Homelessness Matters Project in future editions of The Difference.

Thanks to our partners for your hard work and commitment to making a difference to 'Ending Homelessness Together'.
