### TRHS Team Talk

As we come to a close for 2023, it is important to reflect on our achievements across the year.

2023 has been a great year for TRHS in sport. We have participated in a huge range of sports this year including such sports as Touch Football, Soccer, Futsal, League, Tennis, Table Tennis, Netball, Rugby League, Oz Tag, Volleyball, Beach Volleyball, Basketball, Surfing, Swimming, Athletics and Cross Country. We have had many students represent our school and their efforts have been outstanding. We have had over 70 students represent the FNC with almost half of these also then progressing into the North Coast team. We have had 2 students progress into the Greater North Rugby League Teams and had success at State level in Athletics.

We have had a number of team success's this year with sports such as Rugby League, Netball, Futsal, Beach Volleyball and Touch Football all achieving champion status in our region. We've also had a number of teams go very close to taking out the regional finals.

Our Sport Development Program also incorporated over 170 students throughout the year and we had a number of students and teams do very well in competitions.

A big thankyou to the teachers who work tirelessly in coaching teams and organising excursions for students to participate in these sporting events. Without their effort, we would not be able to achieve such great results.

## Balunjahli Culture Day 4 2023 Cont...

**Balunjahli Culture** is a supportive transition program for Year 6 Aboriginal and Torres Strait Islander students from Tweed Heads South PS, Tweed Heads PS, Banora Point PS and Bilambil PS. Students meet each term with Aboriginal and/or Torres Strait Islander student mentors from Tweed River High School to learn about local Bundjalung culture while also connecting with each other in preparation for their transition to high school.

This term, the Balunjahli Culture Day was held at **Tweed Heads Civic and Cultural Centre**, where students participated in activities run by the **Biren Cultural Group** (see below flyer for details). This was a fantastic interactive opportunity for students to learn about their culture, hear some stories, learn some dances and look at some artefacts.

Thank you to Biren for putting on an amazing program for the students, to the staff from the Primary schools for attending, to Brendan from the Tweed Civic and Cultural Centre for assisting with our booking of the auditorium and organising our delicious catered lunch, to all of the Primary School Principals for your incredible support of this program, to Ms Taylor, the Relieving Principal at TRHS for your support of this program, and to Tora and Jas from TRHS for attending on the day.

A massive thanks to Jadah (AEO) for supporting our students, buying prizes and helping make this program the success that it is! Lastly, thank you to all the students involved in this program – this is all for you and we couldn't be prouder of you. You have conducted yourselves with willingness, enthusiasm and respect. Well done!

We are looking very forward to continuing with this fantastic program in 2024. Have a safe and happy holiday!

## Big W Worksite Visit – First one ever!

On Monday 20th November, the Tweed River Clontarf Academy's first ever Big W worksite visit was a huge success! Our Clontarf boys had the opportunity to tour the facility and observe the operations and processes involved in running a Big W store and distribution centre. This included areas such as the sales floor, stock-rooms, receiving and storage areas, as well as administrative offices. The purpose of the worksite visit was for educational purposes and to gain practical insights into the operations of a large retail organisation. It also provided potential job applicants with a better understanding of the work environment and job roles available at Big W. During the visit, our boys had a chance to interact with employees and ask questions about their roles and responsibilities, as well as Big W values. At the conclusion of the visit, students were given a special Christmas treat - a Christmas stocking of their choice. Year 9 student Jarrel Clarke then delivered a wonderful group thank you to Big W Managers, Greg Alford and Jane Davidson. Overall, the Big W worksite visit provided the boys with the opportunity to gain firsthand knowledge and experience of the inner workings of a Big W store. It was a valuable learning experience for those interested in, or considering a career with our Clontarf partner, Big W. Special thanks to Store Manager David Henry and his team for making it happen!

## **3 V 3 Basketball Activity Wrap Up**

On Wednesday 22nd November, we had 15 of our Tweed River Academy boys attend our first 3 on 3 basketball afternoon activity at the beautiful Tweed River High School. This was a great effort shown by our senior boys as there's been an increase in activity attendance from the last few weeks, as we have been down in number due to camps and school commitments. Watching the boys compete against each other and having some team bonding experience with our senior Clontarf boys was rewarding and the benefits of participating in this dynamic sport are endless. In Term 1 2024, we will be holding a Teachers V Students sporting event so keep up to date with what's happening by dropping into the Clontarf room regularly.

## **Jelluralgal Cultural Staff Experience**

On Thursday 23rd November we had the pleasure of accompanying the Tweed River High School excursion to the Jelluralgal Aboriginal Cultural Centre. Students enrolled in the Aboriginal studies subject at our school got the opportunity to participate in the experience. Students were able to wander through the cultural centre & enjoy the shop before heading in for a traditional Welcome to Country, including amazing information & knowledge sharing as well as traditional Aboriginal dance, didgeridoo playing & song. After this, it was on to the cultural walk where students followed the guide around the Burleigh headlands to "Journey to a land where time stood still. Where white fingers of sand stretched into the mangroves and the Dreamtime giant, Jabreen, stood guard over Burleigh". What an experience, thanks to the school for the opportunity for our staff & students to participate. More information about Jelluralgal Aboriginal Cultural Centre can be found at [www.jelluralgal.com.au](http://www.jelluralgal.com.au)

## **Year 12 EOY Trip to Melbourne – What an Experience!**

The Year 12 students departed the Gold Coast Airport on Saturday 25th November for the trip of a lifetime to Melbourne along with the Gordonvale Academy from Cairns. Four graduating students attended from the Tweed River Clontarf Academy, they were Kaniya Windley, Benjamin Kennedy, Lachlan Kearney & Tyson Bebbington plus another 6 students from Gordonvale. Students rolled into the airport dressed in full Clontarf uniform and looked the part! Once we arrived in Melbourne we collected our hire vehicle then headed to check in at our Accommodation at the Melbourne Central YHA before heading straight into the City for a bit of shopping and check out our surroundings. Unfortunately, the poor weather hit us right away and Melbourne turned on the rain, wind & cold weather. Ultimately the poor weather meant a number of activities were cancelled and we had to find replacement ones...and that we did.

Day 2 the boys were up nice & early for a continental breakfast before we jumped in the busses and headed for our first activity, Archery Attack. The boys & staff loved this activity, it was tough running around an arena getting shot by arrows but was a heap of fun. After this we headed off to the Chadstone Shopping Centre for lunch before heading to Ace Go Kart track for a couple of races. Day 3 the boys were up early again as we prepared for a visit to the NRL's Melbourne Storm training facility & home ground. Here we met with Melbourne's Player Well-being coordinator Peter "Robbo" Robinson. Robbo gave us a guided tour through the inner sanctum of the club and introduced us to a number of key people before giving us some history on the club and doing some Q & A. Following on from this, he gifted each us a Melbourne Storm supporters cap before we headed out to check out training. At training, the boys got the opportunity to meet current players & get some photos, we also got the opportunity to catch up with former Gordonvale Academy student Gabriel Satrick. After a quick thank you we then headed to our 2023 Partnership visit with Clontarf Partner, Thales. Before starting the visit, students got to interact with the Thales staff and another visiting Academy from Cairns High. After lunch, Year 12 graduates Zac Wasiu-Badham (Gordonvale) & Benjamin Kennedy (Tweed River) presented a PowerPoint to Thales staff before we finished off with a group activity on the computers where students had to communicate with each other to land planes at an online airport.

On day 4 the boys enjoyed a sleep in before tackling an Amazing Race around Melbourne. Our Tweed River boys absolutely smashed it and were well deserved victors. After this, the Tweed River crew went for a quick mission down to Brighton Beach to check out the famous bathing boxes. Following on from this, the students enjoyed some free time before we met up again to venture off to the Okami Restaurant for an all-you-can-eat buffet meal with both the Gordonvale & Woree Academies. Once the bellies were full, we headed back to the accommodation for an early night. Day 5 was meant to be our day in the water however the poor weather meant we had to mix things up. Half the group went to Paintball while the other half ventured down to the Mornington Peninsula on a road trip to Cape Shancke & the Hot Springs...this ended up being one of the most amazing experiences ever!

Day 6 and the boys started to feel the pinch from being away from home and it was time to head to the Geelong Cats Football Club to meet up with Geelong Head of Football Operations, Simon Murphy. Simon took us on a tour through their home ground facility before we enjoyed a delicious steak sandwich in their café then venture off to Deakin Oval for their training session. The wind was wreaking havoc at their training session and our boys were freezing, but they toughed it out and watched them for over an hour. At the end of training, the boys were able to get some photos with superstars of the game like Patrick Dangerfield, Tom Hawkins, Jeremy Cameron & many more. Special thanks to Cairns product & current Geelong player Jack Bowes for lining up the visit for us. From Geelong, we jumped back on the buses and headed to North Melbourne for an amazing VR experience at Zero Latency, playing Far Cry. Another sensational activity that challenged the boys in many ways. Once again, after a group thank you, we headed off to our final dinner at Taco Bill's Mexican restaurant before heading back to the accommodation for some cards and games.

Day 7, the boys packed their rooms and we checked out nice & early before getting to the airport and waiting for our boarding call. Special thanks to our Tweed River Academy Operations Officer Luke Dumas & Gordonvale Academy Operations Officer Sam Pau for their support on the trip. Well done again to our 2023 graduates, stay connected & reach out if you need support. Staff can't wait to set our destination for 2024, with our new year 12 students!

## **Catching up with the Champion Bay Graduates**

On Monday, we had the Champions Bay Academy from Western Australia visit the Gold Coast for their Year 12 End of Year trip, so we thought it would be great for their boys to catch up with our Tweed lads for a game of touch and BBQ at the beautiful Snapper Rocks. We had 6 of our Tweed boys attend, which was a great effort from our boys, continuing to show up and have a crack at all opportunities thrown at them. Remember every Monday & Wednesday afternoons we hold afternoon activities, so be sure to put your name down to attend.

## **Primary School Interaction Update**

Clontarf are thrilled to share the tremendous success of our recent Touch Football Clinic held at South Tweed Primary School. The event took place on Tuesday 5th December at Lunch time, and it was action-packed, filled with fun, learning, and an incredible display of teamwork and sportsmanship and most of all, the Clontarf way. The aim of the Touch Football Clinic was to introduce students to the fundamentals and values of Clontarf. Led by Clontarf staff, Cameron Campbell & Luke Dumas, the clinic provided staff with the opportunity to develop a relationship with the students by doing some physical activity. The session started with some Q & A, after this we went straight into some warm-up games before jumping into a game of touch footy. The Year 4-6 students absolutely loved the opportunity to meet staff and play some games. To wrap things up we gave away a Clontarf football as a Spirit Award, then the boys received icy poles. Students showed fantastic enthusiasm and quickly grasped the concepts of the Clontarf spirit rule, displaying impressive progress as the session unfolded.

We would like to extend our sincere appreciation to all the school staff Mitch Armor who made this event possible.

*Friday 15 December 2023, Term 4 Week 10*

On Thursday, staff headed up to Bilambil Primary school to run a touch footy clinic and to finish off the week we invited the Year 4-6 from South Tweed Primary School to morning training with our high school students and then Luke headed off with the Year 5 & 6 to their end of year excursion to the Currumbin TreeTop Challenge.

This is only the beginning of our primary school transitions programs, more to come in 2024! We look forward to meeting you all at high school next year!

## **South Tweed Primary School Awards presentation**

Clontarf are thrilled to announce that we supported the South Tweed Primary School Awards Presentation Day. This special occasion provides an opportunity everyone, including Clontarf, to come together as a community and recognize the incredible talents and accomplishments of our young learners and to meet and support our future students. South Tweed Primary School Awards Presentation Day was held on the 6th of December in the school hall. This event is a testament to the dedication and commitment of our future students, and parents, who have all played a significant role in nurturing and supporting our children's growth and development. Again, we would like to extend our sincere appreciation to all the school staff who made this possible.

## **Good Bunch Lunch – Chef Bingey Takes Over**

This week Coconut curry chicken was on the menu, cooked by Chef Bingey. The boys said they could smell the curry from their classrooms, so it was a race to the room for a feed. The Top Bunch Lunch this week was used to have a yarn about the year we have had, with all the boys and staff having a healthy chat about what they enjoyed the most this year, what we can work on for next year and what were some different activities that we could do next year. This was a great way to finish up our Top Bunch Lunches for 2023. Good bunch lunches in 2024 will require boys to have 100% attendance the week prior, this is a goal to improve & celebrate attendance.

## **Academy Announcement - Chris Binge – New Academy Director at Palm Beach Currumbin Academy**

Chris "Bingey" Binge has been offered, and has since accepted the role of Academy Director at the Palm Beach Currumbin Clontarf Academy. He will be commencing his new role at the beginning of Term 1, 2024. Bingey has been with the Clontarf Foundation for the past 5 ½ years and has been instrumental in setting up our Tweed River Academy this year. His connection with our school, our students and families has been awesome this year and will be missed! Thanks to Bingey for his ongoing support since Luke & I have started at the Academy and we wish him all the best in his new role.

Merry Christmas & Happy New Year, we hope you all have a wonderful safe holiday season!
